### STRIKE SHOTS!

Tickets will be sold three for \$1.00, up to 6:15 PM. We will divide the total amount of the jackpot up to 10 and draw tickets throughout the evening until all jackpots are won. Ticket holder must bowl a strike on his/her next normal turn to win!

### STRIKE IT RICH!

Tickets will be sold three for \$1.00. One ticket will be drawn during second game. That bowler must strike on their next shot to earn 25% of the jackpot. If they strike, they can walk away with the 25%, or spin the WHEEL OF FORTUNE to determine how many pins they must knock down on their next shot to win the entire jackpot. If they miss after spinning the WHEEL OF FORTUNE they receive 10% of the jackpot.

If the first bowler fails to strike, a second ticket will be drawn for a chance at 25% of the jackpot. That bowler must get a strike and Spin the WHEEL OF FORTUNE to determine how many pins they must knock down on their next shot to win 25% of the jackpot.

Any STRIKE IT RICH JACKPOT money not won carries over to the following week.
